Dear Club, Six months ago my sex life had hit an all time low. It had been five weeks since I'd been laid and I was getting pretty tired of just whacking off to dirty movies. I'm a fairly short, stocky guy and I never seemed to have much luck picking up women who were willing to go to bed with me.

I had stopped off in my local for a drink one Saturday night, more to drown my sorrows than from any expectation that I might get lucky, and after looking around at the customers watching TV, it appeared that my crap luck would hold. Even so, I ducked around the corner of the L-shaped bar and took a look at the dance floor, finding several couples and a small group of women, some dancing, but most of them seated at the scattered tables.

I pulled up one of the stools at the bar and ordered a drink. About half way through it, I gathered my courage and walked over to the nearest group of seated women, all of whom appeared to be in their late 20s or early 30s, and asked one if she would like to dance to the rock music blaring from the sound system. She accepted and we walked to the floor and began dancing. She was nice but obviously not all that interested in me and quickly went back to her drink when the song ended.

Feeling depressed made me reckless, and I asked another of the women to dance with me. She accepted just as the music changed to a slow number, so we slow danced

together, and to my surprise her body pressed against mine, giving me a raging hard-on. Feeling it, the woman looked into my eyes and asked if I'd like to take her home. When I said yes, she picked up her purse, told the others goodnight and we walked the short distance back home to my place. Her name was Alison and she didn't require much in the way of foreplay, she just made a beeline for my bedroom. By the time I got there, she was almost undressed. She propped herself in the middle of the bed, legs spread, ready and when my eight inch erection came into view, she whistled and said that she was ready to be fucked. I shagged her this way and that for nearly an hour, both of us having a complete ball. She gave me just a couple of minutes to recover before she rolled me onto my back

and mounted my growing erection again. The way she leaned back forced my recently-spent, half-deflated cock to press against her cunt, and the way she wiggled her arse heavily on my scrotum was exquisite. A few minutes of this and I was very hard again. She looked astonished and asked if I always got stiff again so quickly. Then she abruptly leaned over to the night-table and dug into her purse. When she sat back, she had her mobile in her hand and was tapping in a phone number. After a few seconds of listening, she said "Hi. It's me. Did you get lucky?" She listened a bit more and then said, "Too

pub?” she said. “You don’t mind giving them a sample, do you? They’re my best friends and we always share the good ones. Only there aren’t that many good ones around.” It took the women just a quarter of an hour to turn up at my door and ring the bell. Alison, who had cum off again on my dick in the meantime, jumped off me, saying “Wait for us,” and padded off to answer the door, still naked.

In less than a minute she was back, ushering the two women into my bedroom! It was absolutely fucking unreal. As she climbed back onto my legs, she held my cock like a trophy for the two newcomers to view. They “ooh’d” and “aah’d” for all of maybe five seconds, then they started stripping off, and in no time at all they had joined Alison and me on my bed.

I had everything a man could ask for: tits, pussy, ass, legs, wet mouths and grasping hands. It was surreal. But I wasn’t complaining! For over two hours I munched minge, fucked pussy, fondled tits and massaged arses and just let myself go wild with all three of them. The ladies seemed to love every minute of it, too!

I fucked Linda and Kelly until Alison insisted it was her turn again, and she rode me until I spunked before practically collapsing on my front.

That was the beginning of the massive change there has been in my sex life. It seems it’s not just me who’s always up for a fuck. For the next four or five weeks Alison, Kelly and Linda made a habit of meeting at my place around 8pm every Saturday and we would fuck our way through the night and sleep until mid-afternoon Sunday. During the rest of the week, one of them would sleep with me most nights, so that I spent almost no nights alone after our initial meeting. The Saturday sessions have tailed off a bit now, and I know that they’re still spending time at the bar, sometimes picking up other men, but I usually have one of them in my bed at night, so how can I complain?

about Judy?” Again there was a pause. This time she responded with a sigh and, “Well, look, tell her I said ‘sorry’, but I’ve got something I want you to see. Just hang on.” She moved her backside away from me until she was sitting on my ankles and held the phone in front of her. It was a fairly expensive one, with all the photo and video functions. Alison pointed it at my hard-on for a minute and then said, into the phone, “Are you getting this? What do you reckon?” I could hear the other end of the conversation now that the phone was away from her ear. A female voice said, “Wow! Was that as good as it looks?” Alison said, “Even better. And the incredible part is that I can’t make it go down. You two want some?”

My ears pricked up as the voice said, “Of course. Do we look like idiots? Where are you?” She put her hand over the phone and asked me my address and whether it was alright to give it to her friends.

Totally gobsmacked, I just said “Yeah.” Then she passed on my address and hung up.

Alison moved back up and eased her cunt back down onto my even-harder cock.

“You know the other two I was with in the

Look sharp, as his month's Club is kicking off with the busty Sophie, who is ready to make you weak at the knees with her full cups of fun that she confesses, "are very sensitive to the touch". Bearing this in mind we know Miss Parker wouldn't mind us daydreaming about all the sensitive things we could do to those full pillows, given a chance. But as Sophie kindly points out, we haven't got a chance in hell. We like those odds!

“**D**ear Club,
It's been truly

reminiscing over your Total

So I thought I'd write in with
a cheeky request of seeing
Natasha from Vol.28 No.7,
who completely drained my

after I saw her gorgeous
photos in Club. I hope your

amazing bum, as I'd love
to see those cracking pics
again!”

Here's a little red rocket making a hole in your pocket, as Mia tempts us between the sheets for a little bit of afternoon fun!

Mia, we're so glad your back!

"So am I, I've missed making mischief around the studio."

Now, now, don't start that again. Remember what happened last time?

"Oh yea, so how long did it take you to clean all the spunk of the walls?"

A bloody long time.

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

For me there is really no one particular type of bird which catches my attention more than the others; as long as she's easy on the eye and wet and wanton, I'm game. Nevertheless, if there is one thing that makes me hornier than hell, it's just got to be doing a bird in the car.

Auto manufacturers over the years have consistently used sex as a method of marketing their motors. And no wonder – especially if they draped a hot babe across the bonnet of a motor like my BMW 6 series 630i convertible. It has amazing pulling power with the birds, and, as the slick leather seats come with electrical adjustment, with the touch of a button I can place the maid of the moment in an ideal position for seduction.

Caroline, my current squeeze, positively quivers with lust when I drive fast. She's a beauty in

the Classical sense, with long dark hair, full sensual lips, smooth creamy skin and lustrous brown eyes. Her body is a sculptor's wet dream and would make even the most stoic of men spout off in their boxers were she to flash them even a glimpse of her hidden treasures.

The last time we were together, she implored me to take her for a spin, and I had barely turned the key in the ignition when she was writhing with anticipation in the passenger seat. As we drove fast along a series of narrow country lanes, she curled her body into mine on all the sharp turns. Her lovely long legs were taut, toes pressed against the floor, and her thighs spread provocatively. Her bra-less breasts were heaving as her breathing quickened, and her nipples were erect and poking against the fabric of her light blouse.

'That's my girl', I thought, feeling my erection growing, as, dropping down through the gears abruptly, I swung

“She sucked in air as I pressed forward, advancing inside her by degrees until my full length had her...”

reached out to touch it, simultaneously urging me to move forward so that she could take it in her mouth. ‘Good girl’, I thought.

But, knowing what a greedy cock gobbler she is once she starts, I declined her offer – for the moment at least – preferring to put my rod to other uses while my plums were still full. Positioning my knees on the passenger seat on either side of her hips, I took an ankle in each hand and pulled upward, raising her arse off the seat. Then I directed her to guide my penis inside her slit.

With my knob-end positioned just inside her oozing vulva, I plunged my whole length in, hoisting her legs further up as I did so. This gave me maximum penetration, and she screamed out as I impaled her to the root of my rod, filling her clenching cunt in one.

Bucking and bouncing under me, her nails dug into my back as I ploughed in and out of her box. I love the way Caroline is incredibly vocal and I’m sure that every farm animal and human for miles around must have heard her lust-filled screams. Time and again I launched my manhood inside her and withdrew, slamming the fucker deeper with every stroke. She was like a feral cat – scratching and shrieking with sheer animalistic pleasure as I sorted her violently. I knew that with this girl the gloves were permanently off and that she would use me as hard as I intended to use her.

What a rush I felt when she began to orgasm again! She crossed her ankles behind my neck and pulled my head down as her cunt began to constrict ferociously around my shaft and a string of expletives exploded from her pretty lips.

The verbal filth that issued from her only served to arouse me more. Matter of fact, I was so turned on by her dirty talk that I almost lost it and allowed myself to blow my load. I mustered my resolve and concentrated on humping her hard, doing my utmost to ignore her frenzied climax.

She was still gasping and thrashing around for a couple of minutes after the last shudder of her orgasms had subsided, and I used the time to move back to the driver’s seat and light up a cigarette. The nicotine certainly helped to calm me down, and as I stubbed it out I turned the stereo up.

Getting out of the motor, I moved round the front to the passenger side and ordered her out. Licking her glossy lips, she eyeballed my stonking erection like a carnivore looking at a

into an overgrown gravel driveway. This was a favourite spot of mine – the disused back entrance of a friend’s farm. My mates and I use it frequently as a place to park and entertain the ladies.

I could almost smell Caroline’s arousal as I parked and made my move. With her back arched stiffly and her thighs even wider apart, she met me halfway. Her lips parted, wet and ready, and her hands slid eagerly inside my jacket. She sucked hungrily on my tongue as I pushed my fingers past the barrier of her sodden panties and gently pressed their tips between her mucus-slickened labia.

With my free hand I reached for the controls and lowered Caroline’s seat, giving myself more room to manoeuvre. She squirmed, gasped and panted as I tongued her nipples through the cloth of her blouse. Caroline

bucked her fanny upward towards my crotch, making my throbbing member stiffen with every wanton gasp she expelled.

I plunged and retracted my fingers inside her squelching box as she gyrated her hips and raised her legs so that her feet pressed against the inside of the windscreen. What a horny little minx she was – squealing and begging for more, her bare thighs trembling as her pussy contracted on my fingers and her feet drummed against the windscreen and dashboard with delight.

I plunged my fingers in even deeper and twisted them. Her whole body shuddered then, and she threw her head back, howling, as her pussy spasmed, squirting her juices onto the leather seat. As she got her breath back, I opened my belt, unzipped, and pulled out my almost painfully erect cock. Caroline

juicy beef steak, but I shook my head. There was no chance of me allowing her to suck me yet; I'd just shoot off prematurely! Besides: no way was I going to allow any bird to make the running. It was my motor and she was going to do it my way.

Caroline slid out of the passenger side. I lowered the window on her door and bent her over it so that her palms were on the car seat: With her voluptuous arse cocked high in the air and her long legs slightly spread, she was shapely and delectable in her stilettos. I eased her short skirt up over her lovely rump and ran my hands across the silky skin of her arse-cheeks.

I slowly eased her G-string from her cleft and pulled the tiny garment down. She lifted one leg and then the other to assist me in removing them, and as I cast them aside she sighed and shuffled her legs even further apart. A Strauss waltz struck up on the radio as I eased her buttocks apart, and I decided I was going to botty-fuck her to the rhythm of the classical music.

I bent over and laved her dripping slit, moving my tongue upward and inside her arse crack until I reached her tiny ring. Maintaining my balance by placing a hand on her hip, I teased her twitching sphincter with my probing tongue as I gently manipulated her clit with my other hand.

Caroline has no self control at the best of times, and soon she was dancing on the spot, demanding that I fuck her arse! So I teased her all the more, enjoying her reaction as her legs scissored and splayed wider, making her pussy gape and display her oozing inner pinkness to me.

Scooping out some of the natural lubrication from her slot on the end of my finger, I massaged it into her arsebud. Then, just for good measure, I stuck my penis ball deep inside her hot cunt and shunted it back and forth. This caught her off balance and she sprawled forward, putting her full weight on the car door and sending her top half sprawling onto the seat in front!

I had her just where I wanted her now, and

after a few more forceful strokes I withdrew my cock, gave her a spank across her arse and pressed my lubricated helmet against her sphincter. With one hard thrust I lodged my cockhead inside her rump. She sucked in air as I pressed forward, advancing inside her by degrees until my full length had her well and truly butt-plugged.

She shouted that I should do her good and hard, and I took up the challenge, sawing back and forth in time to dear old Johann's Tales From The Vienna Woods. I bummed the sexy bint until my balls suddenly tightened and I knew I was about to shoot – whereupon, in one very-nearly-fluid movement, I hastily withdrew. Caroline accepted my guidance as I helped her out of the car. Dropping to her knees with the grace of a ballerina, she took my loving spoonful smack on her face, afterwards employing her fingers in an attempt to pack her mouth with my load.

Gripping my buttocks, she pulled me to her mouth and deep down her throat, draining every last drop from me before we got back into the vehicle and went home.

While the Brody family sub-plot in *Homeland* was perhaps its most tedious aspect, one thing we liked about it was the regular dose of flesh we got courtesy of Jessica Brody AKA Morena Baccarin. We loved her in Joss Whedon's short-lived *Firefly*, but she also showed us her homeland in 2008 movie *Death In Love*, her tinge of Brazilian sensuality very much to the fore. ♣

Miss Forrest has been busy cutting through the wood to see the trees. Luckily we missed the swing of her axe, as the super sexy Natalia treats us to a perfect show in front of the lens. The down-to-earth Brit says, "I can't help getting wrapped up in my work I enjoy it so much, and there's always something new to explore or do. It's never ending!" Never ending is what we like to hear, and long may it continue! ♠

Initially, you politely ask your dearest to chop, chop otherwise there's going to be an accident. Cummins fired once through the closed bathroom door before being asked to leave by the occupants of the apartment. The police were called and Cummins was arrested and charged with various crimes, including unlawful discharge of a firearm.

We've all done it at one time or another, picked up a traffic cone or street sign (mostly when inebriated) and wobbly proudly back home with the trophy. The Mayor of Frankfort Village is facing criminal charges into the disappearance off

Auwin Dargin pleaded not guilty to the charge of child abuse after the Assistant Manager of the club Matthew Nadeau, and a waitress recused the child by pushing down one of the car windows, which had been left cracked open. They interrupted Dargin's lap dance but refused to hand the child over, and instead call the authorities. Nadeau now faces up to six years in jail for feeding his lustful appetite. PUCKS & FUCKS!

I have played hockey since my schooldays. I especially enjoyed the female company and the camaraderie of playing as a team... to say nothing of the intimacy in the changing rooms after practice and matches.

Because I'm bisexual I particularly enjoy the unselfconscious way most girls undress in front of each other. It affords me the chance to view their charms and fantasise without revealing my sexual orientation. I was sure no-one had noticed or guessed about my feelings until the day that I found myself alone in the showers with Mary. I had stayed back after practice to run a couple of extra laps and by the time I reached the changing rooms everyone had showered and left. Everyone except Mary.

She was standing in the communal shower

soaping her lovely body. I stood under the showerhead, peeping furtively through the spray at her. She caught my eye and I glanced away, but as if she had read my intimate thoughts, Mary moved towards me and began soaping my breasts.

I was frozen to the spot, shocked that she had guessed my deepest secret, yet thrilled by her touch. My mind in turmoil, I felt my muscles stiffen but offered no resistance to Mary's advances. Tingles of delight flowed towards my crotch as Mary's hands gently soaped my nipples.

Responding instinctively to her caresses, I reached out and touched her breasts. The feel of Mary's skin was even more sensual than I had imagined and I became intensely aroused. My clitoris throbbed and my vaginal secretions were trickling down the inside of my thighs.

Reaching for the little dark patch of hair that covered her snatch I gently separated the wet curls and slowly slid a finger into Mary's vagina. Tracing the soft inner and outer lips with my finger, I found them already slippery with Mary's excitement. Locating her clitoris I began to massage it gently. Our excitement almost overwhelmed us both as I sank two more fingers into Mary's warm gash.

With her tongue playing lightly over my nipples, Mary commenced fingering my pussy. I was in raptures of delight – my first time with a woman was more fulfilling than I had ever dreamed, and it wasn't long before I climaxed.

Our mutual pleasuring was so intense that my knees began to grow weak. All the while the hot water cascading from the showerhead was making things very slippery, and so now we sank to the floor, our bodies entwined, as the warm water sprayed

over us.

Mary sat with her back to the wall with her knees bent and her legs spread, and, kneeling in front of her I lowered my face to her irresistible snatch. Feeling increasingly adventurous, I allowed my tongue to flick lightly over Mary's pussy lips, marveling at the sweet taste of her sex.

She went wild as I began to suck, lick and mouth every part of her womanhood, the flat of my tongue methodically lapping at her throbbing clitoris – writhing on the floor of the shower before me in a state of sheer ecstasy. Then she came off explosively, her body convulsing.

“With her tongue playing lightly over my nipples, Mary commenced fingering my tight pussy”

LAST NIGHT A DJ FUCKED MY WIFE!

Last month my boyfriend and I went for a meal in town, and although it started off okay, we were soon arguing and he really pissed me off, so I walked out. Upset, I wandered around the streets trying not to cry, but I soon became angry that he'd been such a bastard and decided to go into a pub for a drink. I'd never been in this particular bar before but they had some cheesy disco in the backroom so I got myself a drink and went in to cheer myself up by having a dance.

“The lovely musky smell of his meat filled my nostrils as I tickled his knob with my tongue”

I was dressed in a slinky dress and heels as the restaurant had been quite posh, so I knew I looked good and was soon attracting a fair bit of attention as I wiggled my butt on the dancefloor.

A few more drinks and I was flirting with some of the lads that were trying to dance with me and was actually starting to have a good time. Most of the guys were boring but I did quite fancy the DJ. Although he was a bit of a poser, he gave me an idea of how to get back at my boyfriend and boost my ego at the same time.

First I requested a few records, and then I danced provocatively in front of his decks. I have pretty good tits, and in that dress I knew he'd be gawping at my cleavage. I then danced with a guy and ground my crotch against him while staring at the DJ. He couldn't take his eyes off me by now, and when I went to request another track he

asked me my name, told me he was called Martin, and bought me another drink.

I hung around the console flirting with Martin, making sure he knew that I was up for some fun, and he was like putty in my hands, fawning over me and paying me compliments as well as keeping the drinks coming. Around 11pm he told me he was finished for the night and I asked him if he could give me a lift home as I was a little bit pissed and didn't have enough for a cab.

As soon as we got in his car he leaned over and tried to kiss me. I let him push his tongue into my mouth and slid my hand up his thigh until I reached the bulge in his trousers. He attempted to stick his hand up my skirt but I pushed him away and told him to drive us to a more secluded spot.

He was so eager he kept grating the gears as he drove us out of town and parked in the entrance to a field. My pussy had been getting nice and wet as I imagined what I was going to do, and as soon as we stopped I opened my legs slightly and placed his hand on my bare thigh. He slid it straight up under my skirt and groped my pussy through the damp gusset of my panties. Reaching over, I unzipped his trousers and dragged his semi-stiff dick from his pants, fondling it until it was nice and hard.

Martin had managed to get a couple of fingers into my gooey twat and with his other hand was squeezing my aching breasts. I was more interested in sucking his prick to be honest and I leant over, lowering my open mouth onto his lap.

The lovely musky smell of his meat filled my nostrils as I tickled his knob with my tongue before taking the whole shaft to the back of my throat and sucking it hard. Martin moaned and tried to push my head beneath the steering wheel so he could plunge his cock deeper into my warm wet mouth.

I loved the excitement of cheating on my boyfriend, but knew I had to actually get Martin's dick in my cunt to make it really

“Martin managed to get three fingers into my fanny and wriggled them around in the slippery wet softness”

horny and, pulling away, slipped off my knickers and twisted round, offering my pussy for him to fuck. How he avoided the gear stick I don't know, but after a bit of a struggle, I felt the tip of his tool press against the moist lips of my slit and I pushed backwards onto his prick. I could only get a couple of inches in me at first, but with a bit of jiggling about I managed to push back until his whole dick thrust deep inside me. It felt great feeling his hard tool throbbing deep inside my cunt, and by using the steering wheel for support, I was able to raise and lower my arse on and off his manhood while he roughly mauled my tits. I even managed to get a finger onto my clit and jerked myself frantically as we screwed in the ludicrously confined space.

I'd already decided that even though I was taking a stranger's cock in my cunt, I wouldn't let him shoot his spunk up me, so I wanked myself until I came on his meat and then lifted my sodden pussy clear of his dick.

It felt great being in control and using this guy for my own pleasure. Martin was

obviously desperate to cum and seemed quite upset that my slit was no longer enveloping his dick, but I placed his hand back onto my cum smeared hole and masturbated him nice and slowly in the dim confines of his car.

Martin managed to get three fingers into my fanny and wriggled them around in the slippery wet softness as the cum in his balls began to ache for release. I gripped his meat harder and wanked him as fast as I could. Martin leant back in his seat and moaned with pleasure as I stared at his throbbing shaft in the dull glow from the interior light.

Suddenly, Martin grunted loudly and a jet of sperm fired out of his prick onto the steering wheel. Another splattered all over my hand and dribbled into his crotch, while the next jet of thick white cum sprayed over my dress. It had obviously been a while since Martin had emptied those balls as he continued pumping spunk all over the place for ages. By the time he'd finished there was semen on the dashboard, strings of the stuff hanging from the indicator lever, gloops of sperm on my dress and big sticky pools staining the seats.

I stuffed his wilting cock back into his pants and made him drive me home. I wouldn't even let him wipe up the mess he'd made as I told him it would remind him of what a filthy tart he'd just been with. I never saw Martin again and didn't want to, but his squirting prick certainly cheered me up that night.

Hot diggity damn! Now, who is this fine filly I see before me, with a luscious head of red locks and tidy figure? Well, let me answer that question, as we are more than a little ecstatic to welcome newbie Arya Fae to the pages of Club. No doubt you can see why...

The American born lovely is a frequent traveller to far-flung hot climbs and has a keen interest in pole dancing, which sounds like our bag.

"There's something so seductive and yet athletic about shimmying up and down a pole. I do it more for me than an audience though."

Well, we could certainly find Arya a pole to wrap her legs around I'm sure.

It's always a big deal in the office when we come across a girl and realise that she's yet to feature in Club. There's the shock, then comes the bafflement, and finally the excitement. This month it's Michelle Moist who has been putting us through our emotional paces, and it may take us some time to forgive ourselves that it's taken so long to feature this ravishing lady. But thankfully it's never too late!

BROOK!

LOLA!

Elizabeth Marx is certainly playing up to the lens as she slowly reveals the flock of birds in flight she has tattooed on her shoulder. Is there a reason behind your tattoo? "Well, the sky, like my skin was a

blank canvas and one day I just saw a group of birds in flight and new that was what I wanted on my shoulder." As Elizabeth starts to shower down, we can confirm it looks good both wet and dry, as does Miss Marx.
